Service Information

The Service

DYN I.T. Solutions' mobile data service is a SIM-only service for use with an existing, BYO or outright purchased mobile broadband device or tablet.

Availability

These services are available within the Telstra Wholesale Network Coverage area. Coverage and service quality will vary based on a number of environmental factors - for more details you can visit https://www.telstrawholesale.com.au/mobile-network.html.

Access Requirements

You will need an unlocked mobile broadband device that can access the 5G network.

You can either request a new phone number with this service, or port across an active number from another carrier.

Number portability requires you to verify the existing account by account name and number, account holder name and date of birth.

Inclusions

This is a data only service, and there is no inclusion for inbound or outbound calls, SMS or MMS.

Minimum Term

This service is offered on a monthly basis with no contract term. If you request to change your plan, the change will be queued to take effect on your monthly anniversary date of service switch-on.

Pricing Information

All pricing in this document is exclusive of GST unless otherwise stated.

Setup-up Fee

There will be a $0 setup fee.

Exit Fee

There is no exit fee for this service.

Excess Usage Charges

Excesss data is charged at a rate of $15.50 per Gigabyte (GB)

Outbound International Charges

Additional charges apply to calls, call forwarding, SMS and MMS to international numbers (where this is enabled) – These rates vary by country and you should check with us for accurate costings based on your destination.

International Roaming Charges

Charges apply if you use your service internationally (when enabled). This cost varies depending on the country and the carrier you roam with. We recommend you check with us prior to travel
